

# Emotional

## Snoh Aalegra

I wanna love him  
But what if he hurts me?  
Oh Faith like broken hearts  
Warm like mothers arms  
Holding me close in the dead of the dark  
You're fake like false alarms I've been holding on for way too long  
I can feel the fever coming on  
Oh  
So what if I'm emotional?  
I feel it in my bitter bones  
Oooh I need somebody to hold me  
Oooh I need your body to tell me I'm the only one  
Oh, can anybody help me now?  
Cause I'm on a high that's coming down  
Ooh I need somebody to hold me  
You don't need to tell me, I know that it's love, cause it hurts I wanna love him  
But what if he hurts me?  
Oh Dress my open wounds  
I'm not over you  
I'm just a puppet you played for a fool  
Your sex is my abuse I've been holdin' on for way too long  
I can feel the fever coming on, oh Lord  
So what if I'm emotional?  
I feel it in my bitter bones  
Oooh I need somebody to hold me  
Oooh I need your body to tell me I'm the only one  
Oh, can anybody help me now?  
Cause I'm on a high that's coming down  
Ooh I need somebody to hold me  
You don't need to tell me, I know that it's love, cause it hurts Baby please I need you darling  
I'm bleeding darling  
I know that it's love So what if I'm delusional?  
Don't wanna face it any more, no no Oooh I need somebody to hold me  
You don't need to tell me, I know that it's love, cause it hurts
