

# Dr. Carter

## Lil Wayne

Good morning Doctor Carter (Hey sweetie)  
Looks like its going to be a long day (Ahh another one what we got?)  
Your first patient (Yeah)  
Is suffering from a lack of concept (Uh-Huh)  
Originality (Ugh)  
His flow is weak (Another one)  
And he has no style (Ugh)  
Whatcha got for um?Ok, let me put my gloves on and my scrubs on  
Dr. Carter to the rescue, excuse me if I'm late  
But like a thief it takes time to be this great  
Ha! so just wait, your style is a disgrace  
Your rhymes are fifth place and I'm just grace  
One, uno, ace and I'm trying to make your heart beat like bass  
But your sweet like cake and I come to fix  
Whatever you shall break, where is your originality  
You are so fake so picture me like a gallery  
Capture what I say, all I need is one mic, all I need is one take  
Like hey, brighter then the suns rays got a pistols on the playground  
Watch the gunplay like no kidding, no kids in the way  
But the kids do watch, gotta watch what we say, gotta work everyday  
Gotta not be Cliche  
Gotta stand out like Andre 3K  
Gotta kick it, kick it like a sensai  
You gotta have faith you gotta, gotta wait, wait  
I think I, think I lost someoneDial 118, please  
Good afternoon Dr. Carter (Nurse)  
I don't know about this one  
His confidence is down, vocab and metaphors needs work  
And he lacks respect for the game  
(Uhhhh... let me see...)You think you can save him?  
Okay  
Respect is in the heart  
So that's where I'mma start  
And a lot of heart patients don't make it  
Now hey kids  
Plural, I graduated  
Cause you could get through anything if Magic made it  
And that was called recycling  
Or rereciting  
Something cause you just like it  
So you say it just like it  
Some say its biting

But I say its enlightening  
 Besides Dr. Kanye West is one of the brightest  
 And Dr. Swizz can stitch your track up the tightest  
 And Dr. Jeezy can fix your back up the nicest  
 Arthritis in my hand from writing  
 But I'mma doctor they don't understand my writing  
 So I stop writing  
 Now I'm like lighting  
 And you ain't Vince Young so don't clash with the Titans  
 Fast and exciting  
 My passion is frightening  
 Now let me put some more Vocab in your I.V.  
 Here take this Vicatin  
 Like it and love it  
 And confidence has no budget so pay me no mine  
 I don't walk like I talk it cause I'm running I don't do it cause I done it and I'm in the emergency  
 un-it  
 I've done it, I've lost another one...Good Evening Dr. Carter, it's been a long day But this one  
 looks much better than the others  
 His respect is back up, concepts sound good His style has shown strong sign of improvement  
 All he needs now, is his swagger  
 (Ok, let me take the gloves off then) Swagger tighter then a yeast infection  
 Fly go hard like geese erection  
 Fashion patrol police detection  
 I stay tight like Chinese connection  
 I stay tight like pussy at night  
 Baby don't get me wrong I could do that pussy right  
 But I'm to wrong to right  
 To fresh to fight  
 To paid to freestyle  
 To paid to freestyle  
 I had to say it twice  
 Swagger so nice  
 And don't ask me shit unless it concern a price  
 And I don't rap fast I rap slow  
 Cause I mean every letter in the words in the sentence of my quotes  
 Swagger just flow sweeter then honey oats  
 That swagger I got it I wear it like a coat  
 Wait, as I put the light down his throat  
 I can only see flow  
 His blood starting to flow His lungs starting to grow  
 This one starting to show  
 Strong signs of life Where's the stitches, here's the knife  
 Smack his face, his eyes open  
 I reply with a nice welcome back  
 Hip Hop I saved your life He looks good, his vitals are up  
 He's looking good, he's looking good, I think we got one  
 Dr. Carter, I think we got one  
 Yep, yeah, we got one

We saved him, he's good  
He's good, we got one, he's good  
He's good, we got him, we saved him, he's a go, he's good
