The conquering lion shall break every chain
The conquering lion shall break every chain
Give him the victory again and again and again and again

Give him victory again and again and again and again and again and again
Give us some victory ya, oh, ya

Give us some victory we need some victory, we need some victory Again and Again and Again, give give give some victory Oh, Oh, the conquering lion he'll break every chain, everyone of your chains, everyone of your chains

The conquering lion he's gonna break all of those chains if you just let him Give Give him the victory again and again and again and again...
