

# I Wanna Talk About Me

Toby Keith

Yeah, yeah...  
That's right...  
We talk about your work  
How your boss is a jerk  
We talk about your church  
And your head when it hurts  
We talk about the troubles you been having with your brother  
about your daddy and your mother  
and your crazy ex-lover  
We talk about your friends  
and the places that you've been  
We talk about your skin and the devils on your chin  
The polish on your toes and the run in your hose  
And God knows we're gonna talk about your clothes  
You know talking about you makes me smile  
but every once in a while I wanna talk about me,  
wanna talk about I,  
wanna talk about number one,  
oh my me my  
what I think,  
what I like,  
what I know,  
what I want,  
what I see  
I like talking about you, you, you, you usually  
but occasionally  
I wanna talk about me  
I wanna talk about me  
We talk about your dreams  
and we talk about your schemes  
your high school team and your moisturizing cream  
We talk about your nana up in Muncie, Indiana  
We talk about your grandmaw down in Alabama  
We talk about your guys  
of every shape and size  
the ones that you despise and the ones you idolize  
We talk about your heart bout your brain and your smarts  
and your medical charts  
and when you start  
You know talking about you makes me grin  
but every now and then  
I wanna talk about me,  
wanna talk about I,  
wanna talk about number one,  
oh my me my

what I think,  
what I like,  
what I know,  
what I want,  
what I see  
I like talking about you, you, you, you usually  
but occasionally  
I wanna talk about me  
I wanna talk about me I wanna talk about me  
I wanna talk about me  
Me, me, me, me, me  
I wanna talk about me  
Me, me, me, me, me  
you, you, you, you, you, you, you, you, you, you, you, you, you, you  
I wanna talk about me! I wanna talk about me  
wanna talk about I,  
wanna talk about number one,  
oh my me my  
what I think,  
what I like,  
what I know,  
what I want,  
what I see  
I like talking about you, you, you, you usually  
but occasionally  
I wanna talk about me  
I wanna talk about me  
I wanna talk about me  
I wanna talk about me  
I wanna talk about me  
I wanna talk about me
