

# 2 Cups of Blood

## Gravediggaz

Intro: ryzarector, grym reaper  
Aiyyo reaper, those kids out there say you're mad thirsty  
You got somethin for them to drink?

Yo we can wet up two cups of blood  
Verse one: Arm to the leg, leg, on to the head! yo

Be the ryzarector, resurrect the mental dead

G to the r to the y m reaper

As I get deeper than a crypt, resurrect, kid!

Don't go against the grain, mad slang is my thang

I leave the hearty party with a bang buzza

Boom! check my tune, it gotcha hyper

Don't give a f\*\*k about a sucker c-cipher!

As you decipher the tricks of a viper

Swine is lethal! ... is evil!

I am original, we can build upon

The ill form, and keep all your braincells warm!

Hocus pocus, yo! what's the focus?

Weak techniques you speak, the shit is bogus

Even in a mortuary, slangin' some boom

As I seek the knowl' from the womb to the tomb  
Verse two:

Yo!

Deadly, deadly, hyah! get ready

Here come the styler, wilder than freddy

Dead

Cause a krueger, boom, I do ya

Just to let ya know gravediggaz comin' through ya

Dead stinkin' rotten, your braincells forgotten

The past, you had your bumba raas pickin' cotton

Now ya hate ya knotty hairstyles

I guess you figure the texture is too wild

Child

Two cups of blood, boy

Two cups of blood, girl

Aw, drink that shit up
