

# Angel

## Flipsyde

Now you've been up and you've down  
Stayed strong even though daddy wasn't around  
My mama through the thick and the thin beginning to end  
And though I be sinning you keep me livin' with that love that you givin'  
It's unconditional hey the sun shines when I see a smile on your face  
My mama with the money and jewels the record and tours  
I'd give it away if I could make your days happy days  
And when my hearts broke and can't cope I'm comin' on home  
To remember the reason why I was born  
Cuddle up inside your heavenly arms you help me weather the storm  
You love music so I put it in song. She's an Angel workin' on God's train  
She's an Angel workin' on me  
She's an Angel workin' on God's train  
She's an Angel workin' on me.  
I wasn't born wild you know you raised me right  
But the roads of Alabama called me into the night  
From the coke and the weed and extacy  
I'm lost in the streets but you still remain next to me  
The blood that I bleed it flows through your veins  
Even in my lowest point I can still hear your words to my brain  
First time I was arrested mama's love was tested  
I couldn't contest it so here's my confession your my blessing  
Your the reason I believe your the reason I sing  
Your the reason angels tangle me in heavenly things  
It's been a long road so hard and cold  
But you keepin' me warm with your heart of gold. Cause She's an Angel workin' on God's train  
She's an Angel workin' on me  
She's an Angel workin' on God's train  
She's an Angel workin' on me  
You're the light at the end of the tunnel the break of the day  
After the darkest night chasing all the evil away. Your my flowers and sunshine cherries and red  
wine  
Diamonds they can't find shining through hard times. Your the angel on Earth the proof there's a  
God  
The reason to keep on going your my light in the dark. The first star in the sky and the last to  
leave  
And when I'm travelin' through the night I feel your light on me. Cause She's an Angel workin'  
on God's train  
She's an Angel workin' on me  
She's an Angel workin' on God's train  
She's an Angel workin' on me  
She's an Angel workin' on God's train

She's an Angel workin' on me  
She's an Angel workin' on God's train  
She's an Angel workin' on...  
Workin' on me.
