The Life

Fifth Harmony

Fifth Harmony

Yeah, yeahEver since I was young I'm tryna get it right

Every year I'm working towards the goal

Don't sleep 'til we see the daylight

Living big, going up on the rope

I like seeing all the bright lights

Keep it up, pour it up for the night

Two times, I'mma get it two times

Double up, run it back on my mindThis is the life, life, life, this is the life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the life

Give it up for the kids eating good, getting lit

Living life, feeling rich, oh, I, oh, I, this is the life

We the best in the biz, breaking up ain't a chance

Living life, feeling rich, oh, I, oh, I, yeahLevel up, meet me court side

Tricking out, whipping hard in the coupe

I'mma go, gotta board flight

Off the term, there's a show I gotta do

No stress, baby you can find us

Getting down on a beach in Dubai

Pool side, sipping on a Mai Tai

Double up, run it back on my mindThis is the life, life, life, this is the life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the life

Give it up for the kids eating good, getting lit

Living life, feeling rich, oh, I, oh, I, this is the life

We the best in the biz, breaking up ain't a chance

Living life, feeling rich, oh, I, oh, I, yeahNo stress, baby you can find us

Getting down on a beach in Dubai

Pool side, sipping on a Mai Tai

Double up, up, up, upThis is the life, life, life, this is the life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the life, life, life

This is the life, life, life, this is the lifeGive it up for the kids eating good, getting lit

Living life, feeling rich, oh, I, oh, I, this is the life

We the best in the biz, breaking up ain't a chance

Living life, feeling rich, oh, I, oh, I, yeahThis is the life, yeah
