

Triumph (feat. Cappadonna)

Wu-Tang Clan

What y'all thought y'all wasn't gon' see me?
I'm the Osirus of this shit
Wu-Tang is here forever - motherfuckers
It's like this ninety-seven
Aight my niggaz and my niggarettas
Let's do it like this
I'm a-rub your ass in the moonshine
Let's take it back to seventy-nine I bomb atomically, Socrates' philosophies
And hypotheses can't define how I be droppin these
Mockeries, lyrically perform armed robbery
Flee with the lottery, possibly they spotted me
Battle-scarred shogun, explosion when my pen hits
Tremendous, ultra-violet shine blind forensics
I inspect view through the future see millenium
Killa Beez sold fifty Gold sixty Platinum
Shacklin' the masses with drastic rap tactics
Graphic displays melt the steel like blacksmiths
Black Wu jackets, Queen Beez ease the guns in
Rumble wit' patrolmen tear gas laced the function
Heads by the score, take flight, incite a war
Chicks hit the floor, diehard fans demand more
Behold the bold soldier, control the globe slowly
Proceeds to blow swingin swords like Shinobi
Stomp grounds and pound footprints in solid rock
Wu got it locked, performin' live on you hottest block As the world turn, I spread like germs
Bless the globe with the pestilence, da hard-headed never learn
It's my testament to those burned
Play my position in the game of life standing firm
On foreign land, jump the gun out the frying pan, into the fire
Transform into the Ghost Rider, a six-pack
In a streetcar named Desire, who got my back?
In the line of fire holdin' back, what?
My people if you wit' me where the fuck you at?
Niggaz is strapped, and they tryin' a twist my beer cap
It's court adjourned for the bad seed, from bad sperm
Herb got my wig fried, like a bad perm; what the blood-
Clot, we smoke pot and blow spots
You wanna think twice, I think not Da Iron Lung ain't got ta tell you where it's coming from
Guns of Navarone, tearin' up your battle zone, rip through your slums
(Cappadonna)
I twist darts from the heart, tried and true
Loot my voice on the LP, my team is on to slang rocks

Certified chatterbox, vocabulary 'Donna talking
 Tell your story walking
 Take cover kid, what? Run for your brother, kid
 Run for your team, and your six can't rhyme groupies
 So I can squeeze with the advantage
 And get wasted, my deadly notes reigns supreme Your fort is basic
 Compared to mine Domino effect, arts and crafts
 Paragraphs contain cyanide Take a free ride on my dart, I got the fashion Catalogues for all y'all
 to all praise to the Gods
 The saga continues Wu-Tang, Wu-Tang
 Olympic torch flamin', we burn so sweet
 The thrill of victory, the agony, defeat
 We crush slow, flamin' deluxe slow
 For-, judgement day cometh, conquer, it's war
 Allow us to escape, hell glow spinnin' bomb
 Pocket full of shells out the sky, Golden Arms
 Tune spit the shit immortal combat sound
 The fake, false step make, the blood stain the ground
 A jungle junkie, vigilante tantrum
 A death kiss, cap off squeeze another anthem Hold it for ransom, tranquilised with anesthetics
 My orchestra, graceful, music ballerinas
 My music Sicily, rich California smell
 An axe killer adventure, paint a picture well
 I sing a song from Sing-Sing, sippin' on ginseng Righteous wax chaperone, rotating ring-king
 Watch for the wooden soldiers, C-cypher punks couldn't hold us
 A thousand men rushing in, not one nigga was sober
 Perpendicular to the square, we stand bold like flare Escape, from your dragon's lair--in
 particular
 My beats travel like a vortex
 Through your spine to the top of your cerebral cortex
 Make you feel like you bust a nut from raw sex
 Enter-through-your-right-ventricle-clog-up your bloodstream High Terminal
 Like Grand Central Station, program fat baselines on Novation Getting drunk like a fuck I'm
 duckin five-year probation
 War of the masses, the outcome, disastrous
 Many of the victims' families save they ashes
 A million names on walls, engraved in plaques
 Those who went back, received penalties for their acts
 Another heart is torn, as close ones gone Those who stray, niggaz get slayed on the song
 The track renders helpless and suffers from multiple stab wounds
 And leaks sounds that's heard
 Ninety-three million miles away from came one
 To represent the nation, this is a gathering
 Of the masses that come to pay respects to the Wu-Tang Clan As we engage in battle
 the crowd now screams in rage
 The High Chief Jamel-Ah-Rief takes the stage
 Light is provided through sparks of energy
 From the mind that travels in rhyme form
 Giving sight to the blind

The dumb are mostly intrigued by the drum
Death only one can save shell from This relentless attack of the track spares none
Yo! Yo! Yo, fuck that, look at all these crab niggaz laid back
Lampin' like them gray and black Pumas on my man's rack
Codeine was forced in your drink, You had a navy dream
Salamander fiend, bitches never heard you scream
You two-faces, scum of the slum, I got your whole body numb Blowing like Shalamar in eighty-
one
Sound convincin', thousand dollar court by convention
Hands like Sonny Liston, get fly permission
Hold tha fuck up, Allah fasten your wig, bad luck
I humiliate, separate the English from the Dutch
It's me, Black Noble Drew Ali Came in threes
We like the Genovese. Is that so? Caesar needs the greens
It's Earth, ninety-three million miles from the first
Rough turbulence, the waveburst, split the megahertz Ayyo dat's amazing, gun in your mouth
talk, verbal foul hawk
Connect thoughts to make my man Shai walk
Swift notarizer, Wu-Tang, all up in the high-riser
New York gank adviser world tranquilizer
Just the dosage, delegate my Clan with explosives
While my pen blow lines ferocious
Mediterranean, see ya, the number one traffic sit down the beat God
Then delegate the God to see God
The swift chancellor, flex, the white-gold tarantula
Track truck diesel, play the weed God, substantiala
Max mostly, undivided then slide it, it's sickening
Guaranteed, made em jump like Rod Strickland
