Standing Room Only

Barbara Mandrell

You must think my bed's a bus stop The way you come and go I ain't seen you with the lights on Two nights in a rowSo pack your rusty razor Don't bother with goodbye Your cup runneth over But mine is always dryStanding room only I can't stand no more Standing room only Outside my door Don't help me set the table 'Cause now there's one less place I won't lay mama's silver For a man who won't say graceIf home is where the heart is Then your home's on the street Me, I'll read a good book Turn out the lights and go to sleepStanding room only I can't stand no more, no more Standing room only Outside my door Standing room only I can't stand no more, no more Standing room only Outside my door Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
