

Dope Peddler

2 Chainz

August 14, 2012 Every evening you will find him
Around our neighborhood
It's the old
Dope peddler
That we know by doing good Started off with a OZ
End up riding fo' deep
Pull up to that club like
muthaufckin ho you don't know me
I said I pull up to that club like
muthafuckin ho you don't know me
Started off with a OZ
End up riding fo' deep
Started off with a OZ
End up riding fo' deep
Pull up to that club like
Muthaufckin ho you don't know me
Pull up to that club like
Muthaufckin ho you don't know me
Most of my niggas got gold teeth
Most of my bitches got tattoos
Most of my niggas think cash rules
And I mess up hair dos like it's a pair of shoes
And I need a pair of shoes when I'm up there
I'm in the trap cuz I work there Started off with a OZ
End up riding fo' deep
Pull up to that club like
Muthaufckin ho you don't know me
I said I pull up to that club like
Muthafuckin ho you don't know me
Started off with a OZ
End up riding fo' deep
Started off with a OZ
End up riding fo' deep
Pull up to that club like
Muthaufckin ho you don't know me
When the shades of night are falling
Comes a fellow everyone knows
It's the old dope peddler
Spreading joy wherever he goes
See what these bitches looking like
Stick in all crooked like
Louie V is my kyrptanite

Take ya bitch and I give her back
Give her this and I give her that
Fine wine and lobster tail
Candle light and Kristette Michelle
Look at the pussy and play kiss and tell
Fix her hair then fix her nails
Even pay a few bills
Way I'm running shit man I should have a shoe deal
And my whole crew ill
Pockets on fat burger
Going so hard you'd think I mixed the Viagra with the Soda
Staying focused...its cold in here
Black and white ice polar bear
You hold her hand and I hold her hair
I pull her close and put it there Started off with a OZ
End up riding fo' deep
Pull up to that club like
Muthaufckin ho you don't know me
I said I pull up to that club like
Muthafuckin ho you don't know me
Started off with a OZ
End up riding fo' deep
Started off with a OZ
End up riding fo' deep
Pull up to that club like
Muthaufckin ho you don't know me
When the shades of night are falling
Comes a fellow everyone knows
It's the old dope peddler
Spreading joy wherever he goes End up riding fo' deep
Muthaufckin ho you don't know me
Muthaufckin ho you don't know me
End up riding fo' deep
End up riding fo' deep
Muthaufckin ho you don't know me
