## **Woman In Love**

## **Barbra Streisand**

Life is a moment to space
When the dream is gone
It's a lonelier placeI kiss the morning goodbye
But down inside
You know we never know whyThe road is narrow and long

When eyes meet eyes

And the feeling is strongI turn away from the wall

I stumble and fall

But I give you it all

I am a woman in love

And I'll do anything

To get you into my world

And hold you within

It's a right I'll defend

Over and over again

What do I do?With you eternally mine

In love there is No measure of time

We planned it all at the start

That you and ILive in each other's hearts

We may be oceans away

You feel my loveI hear what you say

No truth is ever a lie

I stumble and fall

But I give you it all

I am a woman in love

And I'll do anything

To get you into my world

And hold you within

It's a right I'll defend

Over and over againWhat'do I do?

I am a woman in love

And I'm talking to you

You know I know how you feel

What a woman can do

It's a right I'll defend

Over and over again

I am a woman in love

And I'll do anything

And I'm do anything

To get you into my world

And hold you within

It's a right I'll defend

Over and over again...
