

# SKELETONS

## Travis Scott

Yeah yeah yeah (yeah, ooh)  
Feels like slow motion, we're floating at the speed (yeah)  
(yeah, yeah)  
Louder (louder)  
Higher, higher, higher, higher, higher (uhh, yeah, higher)  
It's like standing in the---We just rocked Coachella, I gave her of half of the check  
It was good sex, I didn't mention to the net  
Didn't pass the loud, that was out of respect  
Afterwards, pass the towel, I was out of Kleenex  
If you take your girl out, do you expect sex  
If she take her titties out do you expect checks  
First visit, I gave her a pearl necklace  
Next visit, I'ma need your girl naked  
Took a church visit, you know, cause the world hectic  
Like floating, if I can't be in time  
I don't know, I don't know (wash on me, wash on---)  
In the ocean, I can't be loved  
I don't know a sound Standing in the ocean (standing in the ocean) (Ooh)  
Standing in the ocean  
Echoing (echoing), echoing  
(Oh baby)  
Standing in the ocean  
Feels like slow motion, we're floating at the speed
