

2gether (Extended Mix) [feat. Kanobby]

Far East Movement & Roger Sanchez

We can get together Now I don't usually do this
But I ain't myself tonight
I wanna drink a lil mo mo
Forget it all all
And dance till I'm dead, dead, dead on the floor (floor) This is club is goin' crazy
You've got me goin' crazy
This dj's goin' crazy
And now I'm elevated
We havin' fun in here
So hands up in the air
We havin' fun in here
So get your hands up in the air
We can get together
So get your hands up in the air
We can get together
right here, right now I-I-I been lovin' my whole life
But somethin' feels different tonight
I been jumpin' my whole life
But you got me jumpin' tonight
tonight, tonight, tonight
Yo This is club is goin' crazy
You've got me goin' crazy
This dj's goin' crazy
And now I'm elevated
We havin' fun in here
So hands up in the air
We havin' fun in here
So get your hands up in the air
We can get together
So get your hands up in the air
We can get together
right here, right now Tonight I don't care
We waited all year
Everyone shine
Get yo hands in the air Tonight I don't care
We waited all year
Everyone shine
Get yo hands in the air Tonight I don't care
Get yo-g-g-g-get yo hands in the air We can get together
(Tonight tonight tonight tonight tonight tonight)
We can get together
(Tonight tonight tonight tonight tonight tonight)

right here, right now
We can get together
right here, right now
We can get together
right here, right now
