

Our Love

Mary J. Blige

You're my morning star,
shining brightly beside me.
And if we keep this love,
it will last through all eternity.
Just the way we are, our love story,
that's just the way it should be. 'Cause our love
will stand as tall as the trees,
our love, will spread as wide as the sea,
our love will shine bright in the night,
and will always be together. (Our Love)
My love is surely one thing,
you can surely depend on.
In times of darkness and fear,
I go to you, I know you'll make me strong
You're gonna make me happy, and you're gonna
make me smile. 'Cause our love, will stand as tall as the trees,
our love, will be for the whole world to see,
our love, will change people by surprise, and it'll never die
'cause we will always have each other... (hold) oooooooooooooooooooooooooooooooooour love, will
stand tall as the trees,
our love, will spread as wide as the sea,
and our love will shine bright in the night, like the stars above,
and will always be together (yea!)
our love (ouuu)
we gotta find it, find it
our love
yeah
hey baby
our love
we gotta find it, find it
our love
hey
our love
we gotta find it, find it
our love
ouu that's right
our lovebreak it down
just a little
because love is soft, love is sweet
love is nice, love is gentle,
love is joy, love is pain
love is laughing in the rain
love is you, love is me

love is just a little baby I got love on my mind, love is always right on time
love is you, love is me, love is gonna set me free (hold)
yeah! our love, our love
ooh ooh
ooh ooh
ooh ooh
ooh ooh
our love
ooh ooh (repeat til fade)
