The Light In Me

Brandon Heath

My life before You I was a flame burning down I was burning out But You knew me betterFor You there was never a doubt God, since You gave me life Something was different, I Knew it the instant You put the light in me The spark, the shot to the heartYou are the hope that leads me out of the dark You let Your love shine down So that the world could see You put the light in me The light, you put the light in me You are the Maker, you tell the sun when to riseI'm just a house on a hill But You make me brighter than all the stars in the sky Keep me from growing dim 'Cause in Your perfection, I'm just a reflectionSo pull me closer to You I'll catch like a fire and I'll hold You higher 'Cause You put the light in me The spark, the shot to the heartYou are the hope that leads me out of the dark You let Your love shine down So that the world could see You put the light in me The light, you put the light in me I'll raise it high, I'll let it showFrom the rooftops down to streets below In day and night, You will be known And all will see You put the light in me 'Cause You put the light in meThe spark, the shot to the heart You are the hope that leads me out of the dark You let Your love shine down So that the world could see You put the light in me The light, you put the light in me The light, you put the light in me The light, you put the light in me

The light, you put the light in me
