

Fallen Empires

Snow Patrol

You called my name in the dark
Called me back to the start
The condensation is building tension Stubborn silence is formed
Around our bodies it's warm
The cool wet grasses as summer passes Frightened under attack
Fallen flat on my back
Arms and legs I'm too scared to beg Harm me most when it's light
Thought of you don't sit right
I need the darkness a desperate embrace Razing cities to dust
Faces dripping in lust
Fallen empires and raging bushfires
All your words confounded
Secret lives bound in bed
Living backwards and tangled back words Ruined everything right
So good can't see the light
From my cave I can see the wave
Fallen empires and raging bushfires We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light
We are the light...
(Run to the fire)
(Run to the fire)
(Run to the fire)
(Run to the fire)
(Run to the fire)
(Run to the fire)
