

Mighty Fine Blues

Eels

Feeling mighty fine
Feeling mighty fine at this time, yes I am
Feeling mighty fine
Feeling mighty fine at this time, yes indeed Walk down any street
Ask the people you meet
"What is it about this place
Keeps you on your feet?" Feeling mighty fine
Feeling mighty fine at this time, yes I am
Feeling mighty fine
Feeling mighty fine at this time, yes indeed
Night is coming down
Closer to the ground
Gonna have a little fun
While I'm still around Feeling mighty fine
Feeling mighty fine at this time, yes I am
Feeling mighty fine
Feeling mighty fine at this time, yes indeed Don't believe the words they say to you
When they are so absurd
And don't believe a word they say about me
Because I'm feeling mighty fine I think I gotta go
I think I'm gonna die
Oh, my God, something's wrong
The end is coming near because I'm
Feeling mighty fine
Feeling mighty fine at this time, yes I am
Feeling mighty fine
Feeling mighty fine at this time, yes I am, yes I am Oh, yeah
