Mighty Fine Blues

Eels

Feeling mighty fine
Feeling mighty fine at this time, yes I am
Feeling mighty fine
Feeling mighty fine
Feeling mighty fine at this time, yes indeedWalk down any street
Ask the people you meet
"What is it about this place
Keeps you on your feet?"Feeling mighty fine

Feeling mighty fine at this time, yes I am

Feeling mighty fine

Feeling mighty fine at this time, yes indeed

Night is coming down

Closer to the ground

Gonna have a little fun

While I'm still aroundFeeling mighty fine

Feeling mighty fine at this time, yes I am

Feeling mighty fine

Feeling mighty fine at this time, yes indeedDon't believe the words they say to you

When they are so absurd

And don't believe a word they say about me Because I'm feeling mighty fineI think I gotta go

I think I'm gonna die

Oh, my God, something's wrong

The end is coming near because I'm

Feeling mighty fine

Feeling mighty fine at this time, yes I am

Feeling mighty fine

Feeling mighty fine at this time, yes I am, yes I amOh, yeah Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
