

Who Am I (feat. Star Slinger)

Emay

Doesn't matter if I got big with some new ideas
Or got big tryna figure out who I is
But I gotta live like 2Pac bigs
I got big tryna figure out who I Is
Doesn't matter if I got big with some new ideas
Or got big trynna figure out who I is
But I gotta live like 2Pac bigs
I got big tryna figure out who I Is Who am I? Like Jackie Chan's movie
Morbid and dark, not a tacky tan truly
Most original so the bastards can't do me
Rehab clinic, alas, you can't do E
We smash in it and blast, your camp's floozies
Lackadaisical with the raps a tad gloomy
Three dimensional when I clash you cats 2D
Childish, so when I attack you catch cooties
I stand out like a pink hand-out
Remain hesitant, but I never plan doubt
Make you reconsider your plans don't keep your brand out
Been suppressing the motive, I never act out
I'm a chill dude, crass individual
Serious but never keep the laughs to a minimal
The only time I don't smile's when I take a picture
Take a deeper look at my file, I'm a fatal twister
I hurt people, but in reverse, when I'm rehearsing a verse I curse evil
Like, major contradiction; So, maybe I'm a hypocrite
Swinging back and forth, or maybe at the tip of it
The cliff exists; I only have one chance like I'm dipping chips
But I'm sick of it, I'm inhaling a different mist
But my lungs and my tongue rejects it when I sung respective
And society's telling me to go to school, learn something
But they don't understand that I just wanna burn something
For every person working, but they earn nothing
Dispersed exertion 'cause they yearn substance
But it's never found; maybe that'll change
I'll only know if I refuse to keep the batter caged
So I'ma try to build a ladder for the latter days
So I can illustrate the manner of the anime
Doesn't matter if I got big with some new ideas
Or got big tryna figure out who I is
But I gotta live like 2Pac bigs
I got big tryna figure out who I Is
Doesn't matter if I got big with some new ideas

Or got big tryna figure out who I is
But I gotta live like 2Pac bigs
I got big tryna figure out who I Is
