

Weight of the World

Evanescence

Feels like the weight of the world,
Like God in heaven gave me a turn.
Don't cling to me, I swear I can't fix you.
Still in the dark, can you fix me? Freefall, freefall, all through life. If you love me, then let go of
me.
I won't be held down by who I used to be.
She's nothing to me. Feels like the weight of the world,
Like all my screaming has gone unheard.
And oh, I know you don't believe in me.
Safe in the dark, how can you see?
Freefall, freefall, all through life. If you love me, then let go of me.
I won't be held down by who I used to be.
If you love me, then let go of me
I won't be held down by who I was If you love me, then let go of me
I won't be held down by who I used to be
