Trough the milky way In my spaceship At the speed of light I'm gonna make it I know you've been expecting me Turn on the camera's take another scene We go like hands up people get with the show We're taking over people lose control And that's my DJ reaching my soul And for the stars my people we never fall Yes I'm an alien When I'm touching the earth Call me a spaceman When I travel universe Yes I'm an alien When I'm touching the earth Call me a spaceman When I travel universe Call me a spaceman Trough the milky way In my spaceship At the speed of light I'm gonna make it I know you've been expecting me Turn on the camera's take another scene We go like hands up people get with the show We're taking over people lose control And that's my DJ reaching my soul And for the stars my people we never fall Yes I'm an alien When I'm touching the earth Call me a spaceman When I travel universe Yes I'm an alien When I'm touching the earth Call me a spaceman When I travel universe Call me a spaceman
