## Slipknot

Black, dirty teeth in the crease  
Was the proof too good to be believed?  
It's the cunt with the tongue  
Who belongs on broken knees So far, it occurs to me  
That everybody in the world is afraid of me  
Just one more sin and down we go  
But the news is out, and I think I'm going to  
Kill myself, or fuck myself, or tell myself  
About the only thing that matters now We bury what we fear the most  
Approaching original violence  
Is the silence where you hide it?  
'Cause I don't recognize you anymore  
To each his own  
Life can do with one less watered-down excuse  
If this is over, you can tell me it's no use, use!  
Just tell me it's over Today, we will deceive our better selves  
Into assimilating pain from something else  
Put on your face and show me why  
Behind the scenes we had to simply comply Now the community doesn't feel any better than it  
used to be  
I want to be a judge in a criminal case  
You covered up, did you cultivate?  
Be yourself, not yourself, know yourself  
'Cause no one seems to know you now We carry what we can't control  
Approaching original violence  
In the silence, there's a nihilist  
Who doesn't care and never did  
To each his own  
Life can do with one less watered-down excuse  
There comes a time when we can't take the same abuse  
If this is over, you can tell me it's no use, use! Drug out, pissed on, everything's the same  
Bitch and moan, it doesn't matter, nothing's going to change  
I don't want to watch another brother fucking die  
So discarded, fallen by the side Don't tell me it's the only way  
Just another reason why you never take the bait  
The trials, the scheming, the burden of the beast  
Both your faces turn your back on everything  
You fought to save a dream Now that it's over  
When this is over We are the angels' fear to tread  
Approaching original violence  
We're the silence, we'll deny it  
We can't continue on like this To each his own

Life can do with one less watered-down excuse  
There comes a time when we can't take the same abuse  
My God, it would've taken just one word to stay from you  
Now that this is over, you can tell me it's no use  
Now that this is over, you can tell me it's no use, use!  
Just tell me it's overIt doesn't matter what you say  
It doesn't matter what you do  
We can't continue on like this
