

# Perfect

Sara Evans

If you don't take me to Paris on a lover's getaway, it's alright, it's alright  
If I'd rather wear your t-shirt than a sexy negligee, it's alright, It's alright  
Every dinner doesn't have to be candlelit  
It's kinda nice to know that it Doesn't have to be perfect  
Maybe every little piece of the puzzle doesn't always fit perfectly  
Love can be rough around the edges, tattered at the seams  
Honey, if it's good enough for you, it's good enough for me If your mother doesn't like the way I  
treat her baby boy, it's alright, it's alright  
If, in every wedding picture, my daddy looks annoyed, it's alright, it's alright  
Don't you know that all the fairy tales tell a lie  
Real love and real life  
Doesn't have to be perfect  
Maybe every little piece of the puzzle doesn't always fit perfectly  
Love can be rough around the edges, tattered at the seams  
Honey, if it's good enough for you, it's good enough for me Oh, you don't mind if I show up late  
for everything  
When you lose your cool, it's kinda cute to me  
Hey, ain't it nice to know that we  
Don't have to be perfect  
Maybe every little piece of the puzzle doesn't always fit perfectly  
Love can be rough around the edges, tattered at the seams  
Honey, if it's good enough for you, it's good enough for me Oh, you're good enough for me, uh  
huh  
Yeah, you're good enough for me  
Oh, you're good enough for me
