

The Vengeful One

Disturbed

He is observing the chaos, taking in the lack of raw humanity
It's as if the entire world's fallen in love with their insanity

Hear the innocent voices scream
As their tormentors laugh through all of it
No forgiveness from all I've seen

The degradation I cannot forgetSo sleep soundly in your beds tonight
For judgement falls upon you at first lightI'm the hand of God

I'm the dark messiah
I'm the vengeful one
(Look inside and see what you're becoming)

In the blackest moment of a dying world
What have you become?

(Look inside and see what you're becoming)
As the violence surges

And the teeming masses have been terrorized
The human predators all gone mad
Are reaping profits born from their demise
The rabid media plays their roles
Stoking the flames of war to no surprise

Only too eager to sell their souls

For the apocalypse must be televisedSo sleep soundly in your beds tonight
For judgement falls upon you at first lightI'm the hand of God

I'm the dark messiah
I'm the vengeful one
(Look inside and see what you're becoming)

In the blackest moment of a dying world
What have you become?

(Look inside and see what you're becoming)
When you die

You'll know why
For you cannot be saved
With all the world enslaved

When you die
You'll know why
You'll die
You'll know why
For you cannot be saved
This world is too depraved
When you die
You'll know whyI'm the hand of God

I'm the dark messiah
I'm the vengeful one

(Look inside and see what you're becoming)
In the blackest moment of a dying world
What have you become?
(Look inside and see what you're becoming)
I'm the hand of God
I'm the dark messiah
I'm the vengeful one
(Look inside and see what you're becoming)
In the blackest moment of a dying world
What have you become?
(Look inside and see what you're becoming)
(Look inside and see what you're becoming)
