

Fais-Do

Redbone

Fais do-fais do, fais do-fais do
Fais do play the bambula beat - fais do-fais do
Fais do play it out in the street - fais do-fais do
Fais do do it like a bim-bam-boom
Fais do holler like a dog at moon Dance under the voodoo moon
Dance out of your body's gloom
Dance into your spirit room
Dance, dance, dance
Fais do-fais do, fais do-fais do
Fais do, fais do music man - fais do-fais do
Whip it on me, whip it on me like you can - fais do-fais do
Fais do play bambula beat
Fais do oo-ma-boom-a-bim-bam-boom
Dance under the voodoo moon
Dance out of your body's gloom
Dance into your spirit room
Dance, dance, dance Fais do-fais do, fais do-fais do ...
