

# Don't Let It Break Your Heart

Coldplay

And  
If I lost a map  
If I lost it all  
I fell into the trap  
Then she goes  
When you're tired of racing and you  
Find you never left the start Come on baby  
Don't let it break your heart  
Though  
Heavily we bled  
Still on we crawl  
Trying to catch a cannonball  
And a slow  
Burning tide  
(Oooh)  
Through my veins is flowing  
From my shipwreck I heard a call  
And she said  
When you're tired of aiming your arrows  
Still you never hit the mark  
And even if your aims are shadows  
Still we never gonna part  
Come on baby  
Don't let it break your heart  
(Oooh)  
Don't let it break your heart  
(Oooh)  
Don't let it break your heart Don't let it break your heart
