

# Hold On to Memories

## Disturbed

Listen, everyone  
The time will come when all of us say goodbye  
Feel that aching in your heartLeaving you broken inside  
But we're never really gone  
As long as there's a memory in your mindSo now go do the best things in life  
Take a bite of this world while you can  
Make the most of the rest of your life  
Make a ride of this world while you canTake the ones you love  
And hold them close because there is little time  
And don't let it break your heart  
I know it feels hopeless sometimes  
But they're never really gone  
As long as there's a memory in your mind  
So now go do the best things in life  
Take a bite of this world while you can  
Make the most of the rest of your life  
Make a ride of this world while you canAnd hold on to memories  
Hold on to every moment  
To keep them alive  
The world's greatest tragedy  
Souls who are not remembered  
Cannot surviveSo now go do the best things in life  
Bring the fight to this world while you can  
Make the most of the rest of your life  
Shine your light on this world while you can  
And hold on to memories  
Hold on to every moment  
To keep them alive  
The world's greatest tragedy  
Souls who are not remembered  
Cannot surviveAnd hold on to memories  
Hold on to every moment  
To keep them alive  
The world's greatest tragedy  
Souls who are not remembered  
Cannot survive (cannot survive)
