

Sway With Me

Saweezie & GALXARA

When marimba rhythms starts to play
Dance with me
Make me sway Like a lazy ocean hugs the shore
Hold me close
Sway me more Flashing lights of devotion
Circling in slow motion
I kissed the lips of a potion
And now I'm out in the open
So follow me into the dark
Break up a piece of your heart
Sell it for, sell it for, sell it for money and cars
Come out wherever you are
My motivations are
All my temptations are
My heart is racing with sensation
It's sensational
I whip my diamonds out
My time is timeless now
I get so high (Ah)
The feeling, feeling so supersonic
(Ah)
I try to stop but I just can't stop it
(Ah)
Dancin' in flames, dancin' in flames
Sway with me, sway, sway, sway
When marimba rhythms starts to play
Dance with me
Make me sway
Like a lazy ocean hugs the shore
Hold me close
Sway me more Yeah, super sly chick (Aye) I be on the list
Always in the mix, I blow a back a kiss
Bad boy want this, bad boy don't miss (Ha, ha)
Run up on me, I bet he get the gist
Harley, Harley catch a quick body
Vroom, vroom, vroom
Like I'm ridin' a Harley
But I'm in a Rari (Skrrt)
Sorry not sorry (Sorry)
Didn't say a peep but I know them birds saw me Tell your people to call me
If it is 'bout that chicken (Yeah)
The most wanted in Gotham

All your diamonds is missin' (Where they at?)
Oh, you thought I was kiddin'
This a suicide mission (Uh-huh)
You need to make a decision
On what side is you pickin'(Sway)
See it, if I want it I'ma take that
(Sway)
See it, if I want it I'ma take that (I take what I want)
(Sway)
See it, if I want it I'ma take that
(Sway)
See it, if I want it I'ma take that
(Sway)
Girls like me they don't make that
(Sway)
Girls like me they don't make that
(Sway)
Girls like me they don't make that
(Sway)When marimba rhythms starts to play
Dance with me
Make me sway
Like a lazy ocean hugs the shore
Hold me close
Sway me moreTake your seat, the show is beginnin'
All the devils are singin'
Climbin' up on the chandelier
You can't stop me from swingin'
So follow me into the dark
Break up a piece of your heart
Sell it for, sell it for, sell it for money and cars
Come out wherever you areWhen marimba rhythms starts to play (Oh-oh)
Dance with me
Make me sway
Like a lazy ocean hugs the shore
Hold me close
Sway me more
