

Mi Rumba

Sofi Tukker & ZHU

Call me a pervert, call me a freak
I want every part of you inside every part of me
Call me a pervert, call me a freak
I want every part of you inside every part of me
Go ahead let me watch you
Watch you watching me
Let me call you baby, let me call you queen
Let me breath in for you, let me be obscene
Let me tell you way too much about me, my queen
I want every part of you inside every part of
me
Mi rumba
I owe what I have, I have what I want, I want you
I want what I have, I want what I want, I want you
I want what I have, I want to know, want to own you
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
Let me watch your hips slow motion like a rumba
We can work your body like they do it in Cuba
Watch I do to you, what I do to you
You gone feel exhausted like you shopping in Shibuya
Go ahead let me watch you
Watch you watching me
Let me call you baby, let me call you queen
Let me breath in for you, let me be obscene
Let me tell you way too much about me, my queen
(My queen, my queen, my queen...)
You can be the one to lead and carve yourself into me
You can put me in a bind because I'm already free
We can lap it up, lick it up,
every last trick I love, lick it like an animal feed
I'm a woman with an appetite, not afraid to say what I need
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
Mi rumba, danza con mi rumba
