Crying in the Club

Camila Cabello

You think that you'll die without him
You know that's a lie that you tell yourself
You fear that you lay alone forever now
It ain't true, ain't true, ain't true, noSo put your arms around me tonight
Let the music lift you up like you've never been so high
Open up your heart to me
Let the music lift you up like you've never been this free
'Til you feel the sunrise
Let the music warm your body like the heat of a thousand fires
The heat of a thousand fires
Ain't no crying in the club, hey hey
Let the beat carry your tears as they fall, baby
Ain't no crying in the club, hey hey
With a little faith, your tears turn to ecstasy
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the clubYou may think that you'll die without her
But you know that's a lie that you told yourself
You fear that you'll never meet another so pure, but
It ain't true, ain't true, ain't true, noSo put your arms around me tonight
Let the music lift you up like you've never been so high
Open up your heart to me
Let the music lift you up like you've never been this free
'Til you feel the sunrise
Let the music warm your body like the heat of a thousand fires
The heat of a thousand fires
Ain't no crying in the club, hey hey
Let the beat carry your tears as they fall, baby
Ain't no crying in the club, hey hey
With a little faith, your tears turn to ecstasy
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the clubYou think that you'll die without him
You know that's a lie that you tell yourself
You fear that you lay alone forever now
It ain't true, ain't true, ain't true
No, I said ain't no (ain't no), ain't no crying
Ain't no crying in the club, no crying
I said ain't no, ain't no crying
Ain't no crying in the club, no cryingAin't no crying in the club, hey hey
Let the beat carry your tears as they fall, baby
Ain't no crying in the club, hey hey

With a little faith, your tears turn to ecstasy
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the club (I won't, I won't, I...)
Ain't no crying in the club (ain't no crying, no crying, no crying, no)
Ain't no crying in the club (ain't no crying, no crying, no crying, no)
Ain't no crying in the club
