# Mysterious Ways

## U2

Johnny, take a walk with your sister the moon
Let her pale light in to fill up your room
You've been living underground, eating from a can
You've been running away from what you don't understand
LoveShe's slippy, you're sliding down
She'll be there when you hit the groundIt's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways
Johnny, take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky, better learn how to kneel
On your knees, boySHe's the wave, she turns the tide
She sees the man inside the childIt's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
Lift my days, light up my nights, loveOne day you'll look back, and you'll see
Where you were held
How by this love while you could stand there
You could move on this moment
Follow this feeling
It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways
Love, it's alright, it's alright, it's alright
We move through miracle days
Move you, spirit, move, making love
It's alright, it's alright, it's alright
Yeah, move, yeah, move, make love
Spirit moves in mysterious ways
You move with it, she moves with it
It's alright, it's alright, alright
Lift my days, light up my nights, love
