

LIGHT (feat. Drax Project)

Famous Dex

[Chorus: Drax Project & Famous Dex]

Yeah, we could stand in the light for one night (for one night)

You and I

Yeah, we could stand in the light for one night (for one night) (ooo)

You and I

Yeah, we could stand in the light one night (one night) (ooo)

You and I

Yeah, we could stand in the light for one night (for one night)

[Verse 1: Famous Dex]

I was thinkin', I was chillin', now I'm feelin', now I'm spillin'

I was geekin' off a perc and I was thinkin' we should chill for the night (we should chill for the night)

Chill for the night (chill for the night, yeah)

Hold on

She say she single so we mingle, doin' drugs we know illegal

Baby girl, she wanna eat me like some pizza, so we cool for the night (cool for the night)

Only one night (only one night)

Yeah, ooh (yeah, ooh)

And off a perky (and off a perky)

You lookin' good, I'm feelin' dehydrated, feelin' thirsty (thirsty)

I wanna drink you, baby, hope you ain't shy (I hope you ain't shy, yeah)

Don't be shy (don't be shy, yeah)

Yeah, ooh

Swear to God, girl, your man a loser (he's a loser)

He a goofy, he beef on computers (computers)

I want you, baby, swear to God, I ain't gon' hurt you (hurt you)

Yeah

I might put you on the cursor, yeah

[Chorus: Drax Project & Famous Dex]

Yeah, we could stand in the light for one night (for one night)

You and I

Yeah, we could stand in the light for one night (for one night) (ooo)

You and I

Yeah, we could stand in the light one night (one night) (ooo)

You and I

Yeah, we could stand in the light for one night (for one night)[Verse 2: Famous Dex]

So I caught her at the bar, now she had a couple shots (uh, what)

Now I take her to my crib (what else), I'ma fuck her, cuff her for the night (for the night, yeah)

Only one night, ooh (only one night, yeah, Dexter)

She woke up, she say,
