

Seven Wonders

Fleetwood Mac

Well, long ago
Certain place
Certain time
You touched my hand
All the way
All the way down to Emmiline
But if our paths never cross
Well, you know I'm sorry, but If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
The rainbow's end
...
Never...
Never
...
So it's hard to find
Someone with that kind of intensity
You touched my hand
I played it cool And you reached out your hand to me
But if our paths never cross
Well, I'm that sorry, but
If I live to see the seven wonders I'll make a path to the rainbow's end
I'll never live to match the beauty again
The rainbow's end
...
Never
...
Never
...
So long ago
It's a certain time
It's a certain place You touched my hand
And you smiled
All the way back you held out your hand If I hope
And I pray
Oooh, then it might work out someday
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
(If I live to see the seven wonders)
If I live to see the seven wonders
(I'll make a path to the rainbow's end) Well, I'll make a path, well

(I'll never live to match the beauty again)
I'll never live to see the beauty
That beauty
That same, same beauty again
(If I live to see the seven wonders)
If I live to see that
(I'll make a path to the rainbow's end
I'll never live to match the beauty again)
Oh, well, if I hope and I pray
Well, then it might work out someday
(If I live to see the seven wonders)
