

# Do You Know What You Have?

## Brandy

They say you don't know when your loosing a good thing  
Until it's gone  
And I sometimes think to myself  
Does he know Now all I hear you saying is don't stop  
(Did did you forget that)  
What's that look on your face  
Are you surprised  
(You act like you can't believe this)  
Gon and lay your head back (what)  
While I set it off (what)  
Watchu thinkin bout (what)  
Is it me your heart (what)  
You say you'll never leave (what)  
I ain't insecure (what)  
Watchu yelling for  
Already  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know) I don't think you recognize  
Love  
I'm certified ride or die  
Trust  
Why do I have to ask (what)  
Is it good enough (what)  
Don't you see in me (what)  
What I'm committed for (what)  
Take a bullet for ya (what)  
If I had to (what)  
Take my heart from me might point it at you  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know) If you forgot what's  
Waiting here  
When you change your mind but  
Your free to go  
Just do me a favor  
Leave your keys on the table  
If you forgot what  
The way this feels  
When you changed your mind boy

Your free to go  
Yeah yeah  
(Does he know) Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)  
Do you know watchu got here (do you know)
