I Will Always Love You

Dolly Parton

If I should stay Well, I would only be in your way And so I'll go, and yet I know That I'll think of you each step of my wayAnd I will always love you I will always love youBitter-sweet memories That's all I have, and all I'm taking with me Good-bye, oh, please don't cry 'Cause we both know that I'm not What you need But I will always love youI will always love you And I hope life, will treat you kind And I hope that you have all That you ever dreamed of Oh, I do wish you joy And I wish you happiness But above all this I wish you love I love you, I will always love I will always, always love you I will always love you I will always love you I will always love you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
