Call

Ashanti

(Ashanti)
When you call I come running baby,
Baby when you call I'll be right there baby,
Baby when you call I'll come running baby,
Baby when you call I'll be right there.(verse 1)
What's the deal with you and me?
I know you feel the chemistry,
I can tell what's on your mind,
the same thing that's on mine,
Oh, I feel it coming on
the way I feel it baby it just can't be wrong
oh, I want you needing me
and I'll come running baby
that's the way it's gonna be
ChorusVerseTell me do you think of me?
with you is were I want to be
cause boy I got you on my brain,
I know you feel the same
oh, I feel it coming on,
the way I feel baby it just can't be wrong
oh, I want you needing me,
and I'll come running baby
that's the way it's gonna be.ChorusBridge
Oh no baby I can't stop baby
Oh no baby I can't stop baby
Oh no baby I can't stop baby
Oh no baby I can't stop baby
Oh no baby I can't stop baby, baby, baby.
