

Mope

Bloodhound Gang

We gonna drop this next bomb for a money makin' playa that ain't with us no mo.

Yeah, Notorious B.I.G.

Hell no, we gonna do this for a gangbangin' thug that never seen it comin'.

Yeah, Tupac Shakur.

Nah bitch, I'm talkin' 'bout motherfuckin' Falco and shit.

What? Falco? Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Rock me Amadeus

Tried to O.D. on the Cold-Eeze

Golden Girls got me sweatin' to the oldies

Hangin' out like double D's

Sip Long Island Iced Teas

Wrote to Mayor McCheese

Send a Shamrock Shake please?

Three o' clock on the dot

Time to cruise for eighth graders

Rather tape the Weather Channel

So that I can watch it later

Reruns of Rerun

So what's happening?

Dee's knocked up and Rog on crack again

Deep throat a whole Nutty Buddy

Make whoopie to a batch of Silly Putty

Make a Spam and Colgate sandwich and ate it

Go through National Geographic and draw panties on the natives

So I like to dance naked in front of my pets

But my cat was inattentive so I sent him U.P.S.

Play spin the bottle with my mom

I watch Cops with no pants on

Must've blown a fuse

Nothin's goin' on

Lamer than the PopeClimb the walls like King Kong

Buggin' out like Tori Spelling's eyes

Deader than the parents on a Party Of Five

Luciano Pavoratti on a treadmillNot goin' nowhere

Slim chance we will

Less hip than Bo Jackson
Bored like wood
Dick around like Frankie Goes To Hollywood
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
Nowhere to go
I can't wake up late
Just sit around and wait for my Old Spice to activate
Stalemate jailbait in My So-Called Life
imprisonment
Amazing what a good breakfast pickles make isn't it?
I like to pretend I'm speed reading
Never lose the sight of the girl sneezin'
Don't need a shower today
Just some Brut by Faberge
Smell the ass of my jeans
Clean, they'll do another day
And I recycle
I sniff my own farts
I dial the wrong number
Hope a conversation starts
I mean I might as well be listenin' to Journey
Givin' myself a mullet
the Flowbee to the Kirby
Make a prank call pretendin' I'm a mime
Get stuck in traffic just to pass the time
Sent a letter in the mail in Braille to Johnny Quest
Send me back my Pencil Test
Must've blown a fuse
Nothin's goin' on
Lamer than the Pope
Climb the walls like King Kong
Buggin' out like Tori Spelling's eyes
Deader than the parents on a Party Of Five
Luciano Pavoratti on a treadmill
Not goin' nowhere
Slim chance we will
Less hip than Bo Jackson
Bored like wood
Dick around like Frankie Goes To Hollywood
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
I'm mighty, tighty, whitey and I'm smugglin' plums
When you wanna cum

I'm mighty, tighty, whitey and I'm smugglin' plums
When you wanna cum
I'm mighty, tighty, whitey and I'm smugglin' plums
When you wanna cum
I'm mighty, tighty, whitey and I'm smugglin' plums
When you wanna cum
Yo, yo, yo, yo, yo! What it is motherfuckers?
Aw shit, here comes Pac-Man.
Hey Pac-Man, what's up?
Me you bitches! I'm high on crack! Wanna freebase?
No, Pac-Man, drugs are bad!
Nope, can't help you man.
Pussies.
Whoa! Holy shit!
Must've blown a fuse
Nothin's goin' on
Lamer than the Pope
Climb the walls like King Kong
Buggin' out like Tori Spelling's eyes
Deader than the parents on a Party Of Five
Luciano Pavoratti on a treadmill
Not goin' nowhere
Slim chance we will
Less hip than Bo Jackson
Bored like wood
Dick around like Frankie Goes To Hollywood
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
Relax don't do it
When you wanna go to it
Relax don't do it
When you wanna cum
Holy macaroni
Holy macaroni
Holy macaroni
Holy macaroni
Holy macaroni
Holy macaroni
Holy macaroni
Holy macaroni
