

# I Love You More Than You'll Ever Know

[Donny Hathaway](#)

If I ever leave you baby  
You can say I told you so  
And if I ever hurt you  
You know I hurt myself as well  
Is that any way for a man to carry on?  
Do you think, I want my loved one gone?  
Said I love you  
More than you'll ever know  
More than you'll ever know  
When I wasn't making much money  
You know where my paycheck went  
You know I brought it home to you baby  
And I never spent one red cent  
Is that any way for a man to carry on?  
Do you think I want my loved one gone?  
Said I love you  
More than you'll ever know, yeah  
More than you'll ever know  
Now listen to this.  
I'm not trying to be  
Just any kind of man  
No I ain't  
I'm just trying to be somebody  
You can love, trust and understand  
I know I know I know that I can be  
A part of you that no one else could see, yeah  
But I got to hear you say  
I got to hear you say  
It's alright  
I am only flesh and blood  
But I could be anything that you demand  
I could be king of everything  
Or just a tiny grain of sand  
Now tell me  
Is that anyway for a man to carry on?  
Do you think that I want my loved one gone?  
I love you  
More than you'll ever know  
I said I love you  
I love you  
I love you
