

Love Is War

American Young

Young lovers in a picture frame
Ever notice how there ain't no rain
Nobody hangs hard times on the wall
You won't see it in an 8 by 10
But there's a storm every now and then
A slamming door down the hall Sometimes love is a white flag
Sometimes love is standing tall
Sometimes love is a feather
Sometimes a cannon ball
But it's worth fighting for (it's worth fighting for)
Baby, sometimes love is war
An old couple on a front porch swing
On a walk down memory lane
Been through the fire and back again
Through the clear and the cloudy skies
Still love in each other's eyes
Sometimes love is war but sometimes you win Sometimes love is a white flag
Sometimes love is standing tall
Sometimes love is a feather
Sometimes a cannon ball
And it's worth fighting for (yeah, it's worth fighting for)
Baby, sometimes love is war Sometimes love is all that can save us
Sometimes love can kill a man
Yeah sometimes love is a soft touch
Or a pistol in your hand
Sometimes love is a white flag
Sometimes love is standing tall
Sometimes love is a feather
Sometimes a cannon ball
But it's worth fighting for (it's worth fighting for)
Baby, sometimes love is
Baby, sometimes love is war
