

# Sacrifices (feat. 2 Chainz & Young Thug)

Drake

Wrote this shit, January 21  
Baby girl, I had to run, I'll be back a couple months  
Kendall turned 21, was up the street with 21  
They could see me online, but they won't see me on the ones  
I got Dubai plates in the California state  
I got her waitin' at my place, I got no baby on the way  
I'm talkin' Baby like Stunna, I'm talkin' Baby like Face  
Lost millions in the past, I'm talkin' maybe like eight  
Couple niggas from the city  
Wishin' on a star, could they be like Drake  
Sorry, no, not today, you gotta find your own way  
Big dog from the 6, I'm talkin' Dogg like Nate  
My shit be raw out the gate, I don't need another take  
40 got house on the lake, I ain't know we had a lake  
She complainin' how I'm late, I ain't know it was a date  
Niggas see me in person, first thing they say is  
"I know you need a break"  
Hell naw, I feel great, ready now, why wait?  
Like a kiss from a rose  
I could be the one to seal your whole fate  
So be careful what you think, think about what you gon' say  
Gotta deal with people straight, I got my 23's laced  
It's a marathon, not a sprint, but I still gotta win the race, yeah  
And I'm convinced  
I made sacrifices, I been ballin' ever since  
We seein' so many blessings, shit don't make no sense  
Someone watchin' over us, so shout goes out to him  
Yeah, I'm convinced  
I made sacrifices, I been ballin' ever since  
Yeah, I did some wrong, I had no choice in my defense  
Someone watchin' over us, so shout goes out to  
2 Chainz, I'm a real one  
Few shows, that's a mil run  
When she bust it down  
I said, "Thanks for givin' to me," like a pilgrim  
Cold world'll be chillin'  
Earmuffs on the children  
Used to trap out the Hilton  
Got wood on the Cartiers; that's a face full of splinters  
Count a bankroll for dinner  
This the wrong place to enter  
Phone sex for breakfast, all kinda women text us

Met her at the Super Bowl  
Told her I stayed down the street from Texas  
A-Town, I stay down, yeah, it's all in the wrist  
This one here out the fence  
Trap jumpin' like the Carter, we into jumpin' like Vince  
Moved on from the election  
Introduced her to the plug  
Can't believe they tried to take the connection  
Ooh, girl, you a blessin', fine ass, be finessin'  
Yeah, I love my fans  
But I don't wanna take pictures in the restroom  
Drench God with the 6 God, point guard and the two guard  
"Pretty Girls Like Trap Music"  
So I woke up with my wood hard  
And I'm convinced  
I made sacrifices, I been ballin' ever since  
We seein' so many blessings, shit don't make no sense  
Someone watchin' over us, so shout goes out to him  
Yeah, I'm convinced  
I made sacrifices, I been ballin' ever since  
Yeah, I did some wrong, I had no choice in my defense  
Someone watchin' over us, so shout goes out to I was stealin' from a bitch, back when I was 21  
My favorite gun was a SIG, 20 in the clip, head one  
Growin' up, I was a runnin' back  
You never made me ran once  
I got shot, sweat started runnin'  
That shit was red like Hunt (ketchup)  
I'm kickin' pimpin' like I punt  
But don't you think shit's sweet?  
I'm talkin' sweet, thin meat  
I'm talkin' suite like he sleep  
We ain't doin' too much talkin'  
I'm talmbout talkin' like a speech  
Like the President, I kill and meet  
I'm talkin' neat like freak  
I'm talkin' neat like fleek  
I'm talkin' neat like a geek (yeah)  
You come with beef, I eat the beat  
I'm talkin' B's, spellin' B  
Double R, that's a Rolls, paint it yellow like it's dairy  
I'm talkin' Rose like Derrick  
I'm talkin' Rolls like a Bentley  
Like a new car, I got two keys  
Tryna score the bucket like a Chevy seat  
Then I heard they been pullin' all week  
I'ma use her name, like, "Who is he?"  
You get it? I said I'ma use her name, like, "Who is he?"  
Got some gold on, leprechaun sheets  
Deep sleep short for deceased

Big bezel on the Patty  
I'm talkin' PADI—I meant Patek  
Don't try to take it, I got guns  
I'm talkin' guns, not pellets  
I watch the game from the floor (floor seats)  
I'm talkin' wood, first mattress  
I'm talkin' wood, pants down  
I'm talkin' woods like them clowns (you get it?)  
I got my mink off a monkey  
I'm talkin' monkey like Jumanji  
All your diamonds partly sunny  
I'm talkin' sunny like D, Sunny  
My diamonds wet, it cost me money  
I'm talkin' wet like it's runnin' (sink)  
I'm talkin' wet like Katrina (New Orleans)  
I'm talkin' wet like Dasani, huh And I'm convinced  
I made sacrifices, I been ballin' ever since  
We seein' so many blessings, shit don't make no sense  
Someone watchin' over us, so shout goes out to him  
Yeah, I'm convinced  
I made sacrifices, I been ballin' ever since  
Yeah, I did some wrong, I had no choice in my defense  
Someone watchin' over us, so shout goes out to
