

# Still the One

## One Direction

Hello, hello, I know it's been awhile but baby  
I got something that I really wanna let you know, yeah  
Something that I wanna let you know oh oh oh You say you say that everybody that you hate me  
Couldn't blame you cause I know I left you all alone, yeah  
I know that I left you all alone And yeah, now I'm back at your door  
You're lookin' at me I'm sure  
I should've seen it before  
You're all I think about, baby I was so stupid for letting you go  
But I know you're still the one  
You might have moved on  
But girl you should know  
That I know you're still the one  
I know it's sayin' too much  
But I will never give up  
I was so stupid for letting you go  
But I know you're still the one  
I know you're still the one Hello, hello, I'm really hoping you'll forgive me  
I keep talking, begging, tell me what I wanna hear, yeah  
Girl just tell me what I wanna hear I tried, I tried to start again and find somebody  
But I remember all the times and all the words he said, yeah  
I can't get it out of my head yeah Now I'm back at your door  
You lookin' at me unsure  
I should've seen it before  
You're all I think about, baby  
I was so stupid for letting you go  
But I know you're still the one  
You might have moved on  
But girl you should know  
That I know you're still the one I know it's sayin' too much  
But I will never give up  
I was so stupid for letting you go  
But I know you're still the one  
Hey you, you're still the one  
Hey you, you're still the one  
Hey you, you're still the one  
Hey you, you're still the one  
I know it's sayin' too much  
But I will never give up  
I was so stupid for letting you go  
But I know you're still the one  
I know you're still the one
