

Skies the Limit

Fleetwood Mac

Written by Christine McVie
If I've been acting just a little strange
And you have noticed it too
It's 'cos my life has been rearranged
With the presence of you The sky is the limit now
We can hit it on the nail
And when we do
I'll think about you
How can we fail Can you give me one reason why
You'd ever let me down
I won't believe it baby, but I'll try
The truth's goin' to come around
The sky is the limit now
We can hit it on the nail
And when we do
I'll think about you
How can we fail
The sky is the limit
Oh the sky is the limit
How can we fail Sooner or later
I'll keep the promise
I made to you
Sooner or later
It will be greater
Then we ever knew The sky is the limit now
We can hit it on the nail
And when we do
I'll think about you
The sky is the limit now
We can hit it on the nail
And when we do
I'll think about you
How can we fail
The sky is the limit
Oh the sky is the limit
How can we fail Oh the sky is the limit
How can we fail
The sky is the limit
Oh the sky is the limit
How can we fail
The sky is the limit
Oh the sky is the limit

How can we fail
The sky is the limit
Oh the sky is the limit
How can we fail
The sky is the limit
