

# Ghost Town

## Shiny Toy Guns

Everyone living in Ghost Town  
Everyone buried in wasteland  
We don't want to  
We don't have to  
Be like that  
Living in ghost town All the boys shout it out loud now  
All the girls scream it out louder  
We don't want to  
We don't have to live like that Hold me back  
You know were never gonna back down  
Hold me back  
You know were never gonna back down  
We're dead in this ghost town  
You better let go so  
Let go  
Let go of me Were dead in this ghost town  
You better let go so  
Let go  
Let go of me Let go  
Let go of me Let go  
Let go of me Everyone living in Ghost Town  
Everyone buried in wasteland  
We don't want to  
We don't have to  
Be like that  
Living in Ghost Town  
All the boys shout it out loud now  
All the girls scream it out louder  
We don't want to  
We don't have to live like that Hold me back  
You know were never gonna back down  
Hold me back  
You know were never gonna back down We're dead in this ghost town  
You better let go so  
Let go  
Let go of me We're dead in this ghost town  
You better let go so  
Let go  
Let go of me Let go  
Let go of me Let go  
Let go of me It's nearly over  
The last train is here

And it's leaving behind those years  
These are the bad lands  
The worst taste in fear  
Making graves for the ones we left here We're calling, calling  
To say goodbye We're dead in this ghost town  
You better let go so  
Let go  
Let go of me We're dead in this ghost town  
You better let go so  
Let go  
Let go of me Let go  
Let go of me Let go  
Let go of me
