

# Tee Shirt

## Birdy

In the morning  
When you wake up  
I like to believe you are'  
Thinking of me  
And when the sun comes  
Through your window  
I like to believe you've been dreaming of me Dreaming mmm mmm  
I know  
'Cause I'd spend  
Half this morning  
Thinking about the t-shirt you sleep in  
I should know  
'Cause I'd spend  
All the whole day  
Listening to your message I'm keeping  
And never deleting When I saw you  
Everyone knew  
I liked the effect that you  
Had on my eyes  
But no one else heard  
The weight of your words  
Or felt the effect that they  
Have on my mind  
Falling mmm mmm I know  
'Cause I'd spend  
Half this morning  
Thinking about the t-shirt you sleep in  
I should know  
'Cause I'd spend  
All the whole day  
Listening to your message I'm keeping  
And never deleting
