

# Stoned

## Silverchair

Sitting in my bedroom  
You know I'm spinning  
Haven't got much headroom  
Well I'm only living  
When I'm like this i can only just sit  
Why did you get me into this shit  
Help me get out of it now  
I don't know what you will allow You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah  
You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah  
When is this feeling gonna wear away  
I know the devil's looking up at me  
I hope this feeling's not going to stay, no You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah  
You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah  
You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah  
You got me stoned  
Sitting in my bedroom spinning  
Stoned, yeah You've got me stoned
