Don't Go (feat. Becky G and Mr. Eazi)

Vice

Is all enough
YeahGot me losing myself
And I can't explain it
Got me losing myself
Mute the voices in my head
My headSo please don't go,
I can't do it on my own
I can't do it on my ownSo please don't go
I can't do it on my own
I can't do it on my own
Oh say what you want but I can't hear it
Baby please don't go
Baby please
(Baby please)
Baby pleaseOh say what you want but I can't hear it
Baby please don't go
Baby please
Don't go
Don't goMr EaziTorn up letters
So many things I wish I said
I miss the days when
We were young without a care
Skimming stones, feels like the future is behind
And I'm gaining by myself
So please don't go
I can't do it on my own
I can't do it on my ownSo please don't go
I can't do it on my own
I can't do it on my ownOh say what you want but I can't hear it
Baby please don't go
Baby please
(Baby please)
Baby pleaseOh say what you want but I can't hear it
Baby please, don't go
Baby please
Don't goNo, no, no, no, woah
No
Don't goPlease don't go
I can't do it on my own
(I can't do it on my own)
So please don't go
I can't do it on my own

(Ohh, woah)Oh say what you want but I can't hear it
Baby please don't go
(Baby please don't go)
