

Two Bodies (feat. Emma Louise) [Live]

Flight Facilities

Just two bodies
Just two bodies I've been so ready to dim my mind
Come over or not, I've
Been so ready to dim my mind
Your body a drug, for mine
Two bodies moving in
Time and space to try and heal me
I know what I want, so come over and
Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
You're closed, you're a book. No lines
Can't read you if I try
And if that's the way you want it
That's fine I'll just close my eyes and
Try to ignore you, a free ride for you to
Just two bodies
Just two bodies Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
