

# Respect Me

## Dizzee Rascal

you people respect me, if it kills you x4you people respect me, if it kills you x4do it how they  
didn't wanna do it now they wanna try and do it but I'm tellin them no  
im in a predicament with imitators wanna take my style and have a bit of my flow  
all this copy cattin on my lyrics that there chattin betta stop before the gunshot's blow  
do you really want it coz I really wanna give it if you do just let me know  
and I show arrogance and elegance  
but no tolerance for nonsense  
I bring violence im a nuisance  
killer M-C leave no evidence  
ive got brains and intelligence  
but no conscience no innocence  
we roll in the darkened silence  
represent us in any residence  
and I swing for your chin with no hesitense  
imma captain ya betta bring your regiments  
and your a failure dont have no relevance  
imma champion, winner and a victor prick ya  
so not ready so til ya see ya soul  
headed for the golden gates  
no really you monkeys are playin with apes  
not guerilla warfare it's the coppers I carry this stick for  
plus ive had enough of these  
lil cheap comments from fake M-C's  
bad minders and skat ladies  
talkin about how it used to be  
well it's a brand new day  
so leave me be  
I dont need you so dont need me  
your opinion don't interest me  
dont like me thats fine by me  
coz from holly street ta hollywood its all good  
from new york ta york hall its all cool  
your a fool if ya think i'm gonna cease  
now honestly could there really be peace  
it dont seem that way to tough  
stop with the games I play to rough  
must be smokin to much puff  
divert or be deceased  
u.k rapper stabbed in napa  
cause of gossip cause of chatter  
he's still breathin he's still a dapper  
retaliate with gun clapper

truthfully I can't see very well  
dont flatter your self your any girl  
them boy's shoulda sent me ta hell  
now prepare for the beast  
you people gonna respect me  
better make you respect me x4you people are gonna respect me if it kills you x2  
(alright two I swear)ey yo endless speculation im facin  
constant controversial relations  
to gun crime at garage events  
with so many claims and no evidence  
suggesting im the reason  
for the UK gun clap season  
im legal may I stress  
to the fool for the sake of  
strident intelligence  
go ahead check my files all day  
bit of criminal damage and T-D-A  
might be a little bit of violent disorder  
but I aint never been locked away  
got some mates that have been convicted  
yer so what it's the hand life dealt them  
we werent blessed with the systems T-L-C  
government shoulda tried ta help them  
been a law breaker aint tryna hide it  
as for the sentence aint tryna ride it  
stop that so I could do this  
im legit ya may as well kiss my  
A-S-S P-L-E-A-S-E im L-E-G-I-T  
you ain't got nothin on me  
but to the pricks who think im slack-in  
please dont ever be fooled im pack-in  
this is a welcome and its a warning  
please dont ever just think im rappin  
you know the score im raw from day  
still dylan the villain from around the way  
feel free to quote anything I say  
please dont ever just think im chattin  
people gonna respect me  
I better make you respect me x4you people gonna respect me if it kills you x3I know what your  
thinkin it's gone to far now innit  
fuck it  
if I dont speak whos gonna speak for me  
stand up for myself in this shit  
so fuck you  
unapoligetic  
cant be, never have been, wont be a prick  
yer thats it
