

# Ocean

Ella Vos

[Verse 1]

Will you take me as I am?  
Drive the coastline in your hand  
Across the highway there's a girl I used to be  
Swim in the deep end, not afraid of anything [Chorus]  
I feel like an ocean, washing away  
Gasping for air now under the wave  
You're pulling me deeper, deeper 'til I'm broken  
I feel like an ocean, washing away  
Dreading the silence, nothing to say  
You're pulling me deeper, deeper 'til I'm broken

[Verse 2]

Fragile creatures, you and I  
Read my future, is it bright?  
Do you feel better knowing that I'm far away?  
Maybe it's alright living with a memory

[Chorus]

I feel like an ocean, washing away  
Gasping for air now under the wave  
You're pulling me deeper, deeper 'til I'm broken  
I feel like an ocean, washing away  
Dreading the silence, nothing to say  
You're pulling me deeper, deeper 'til I'm broken [Outro]  
Is it over, is it over?

You're pulling me deeper, deeper 'til I'm broken
