

# Somebody

Bryan Adams

I bin lookin' for someone  
Between the fire and the flame  
We're all lookin' for somethin'  
To ease the pain Now who can you turn to  
When it's all black 'n' white  
And the winners are losers  
You see it every night I need somebody  
Somebody like you  
Everybody needs somebody  
I need somebody  
Hey what about you  
Everybody needs somebody When you're out on the front line  
And you're watchin' them fall  
Doesn't take long to realize  
It ain't worth fightin' for I thought I saw the Madonna  
When you walked in the room  
And your eyes were like diamonds  
And they cut right through - Oh they cut right through I need somebody  
Somebody like you  
Everybody needs somebody I need somebody  
Hey what about you  
We all need somebody  
Another night another lesson learned  
It's the distance that keeps us sane  
But when the silence leads to sorrow  
We do it all again - all again  
I need somebody  
Somebody like you  
Everybody needs somebody  
I need somebody  
Hey what about you  
Everybody needs somebody
